

EMPLOYEE GIVING CAMPAIGN

Broward Health Initiatives + United Way

Frequently Asked Questions & Answers

How do I find a pledge form to make my gift?

You will find the Employee Giving link on the home page of MyPlace. Click the *Give from the Heart* link (toward the top of the page) and log in with your Broward Health credentials.

How many options do I have to direct my gift and may I give to multiple options?

There are three giving options - the Broward Health Facility of your choice, the Broward Health Employee Emergency Relief Fund and the United Way of Broward County. Employees contributing \$50 or more may select more than one giving option.

Why does Broward Health Foundation need charitable gifts?

The Broward Health Foundation is a 501(c)(3) nonprofit organization. Raising money to support Broward Health initiatives enables us to continue bringing the most state-of-the-art technology and medical innovations to our hospitals. Although Broward Health is a tax assisted hospital system, it is not tax supported. We rely on private contributions from individuals, corporations and other groups to meet the changing and growing healthcare needs of our community.

What is the Broward Health Employee Emergency Relief Fund?

Broward Health Employee Emergency Relief Fund provides financial assistance to Broward Health employees who are experiencing a financial hardship or crisis.

What is United Way of Broward County?

United Way of Broward County provides support to hundreds of programs in Broward County that address the health, education and financial stability of every person in our community. United Way looks at Broward County as a whole and unites the community to tackle the most complex challenges and create long-lasting, positive change. To learn more, visit unitedwaybroward.org

How can I make more of an impact with my gift?

Pledging your support through payroll deduction often allows you to make a larger gift than you would be able to make by writing a check. For example, a pledge of \$260 paid over the course of the year will amount to just \$10 deducted from each paycheck.

When does the payroll deduction begin and end?

Payroll deduction will begin with the first pay period in July (7/8/21) and will continue for one full year, ending after 26 pay periods. Gifts of personal leave (PL) will be deducted on 7/8/21.

Is my donation tax deductible?

Yes, all contributions are tax-deductible.

Who do I contact if I have questions about my gift or the campaign?

Please call the Foundation at 954-712-3980 or email BHFoundation@browardhealth.org
